

DEJPA

BITUMEN MANUFACTURING Co.

Foundation 1984

- Providing Bitumen in Iran Mercantile Exchange
- Member of the Iranian Oil, Gas and Petrochemical Products Exporters' Union

IRAN FIRST PRIVATE COMPANY IN BITUMEN MANUFACTURING

FOUNDATION 1984

Dejpa is one of the major Bitumen and steel drum manufacturers of Iran from 1984. Our company has been registered, with Reg. No.51009, in "Tehran Company Registration Administration", and now is one of the bitumen suppliers in IME.

This company products are according to Iran National Standard Certificate. Via Establishing QC Management Method (ISO9001:2008) and European Standard, CE, in production, Dejpa follows the reliable standard factors (such as ASTM, EN, etc.). Moreover, Dejpa products own quality certificates from Valid inspection companies like SGS and GEO CHEM. The products quality improvement is the first and foremost among our commitments, which is fulfilled through using committed employees and Stock holders.

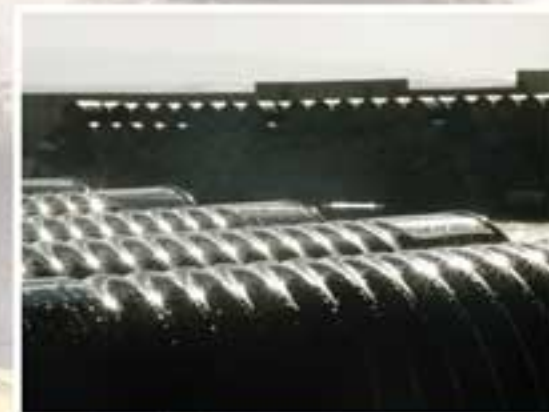

Dejpa is equipped with the most modern production equipment. In addition, packaging unit of Dejpa packs the products according to the latest equipment updates, and high quality products are sold in International markets.

The QC unit, located in Dejpa factory, tests and controls the quality of materials and products by means of up-to-date and accurate laboratory equipment.

Dejpa company is a member of "Oil, Gas and Petrochemical products Exporters Union", and we have exported Bitumen to different countries such as China, Georgia, UAE, Myanmar, Afqanistan, India, Turkey, Armenia, Azerbaijan, Iraq, Pakistan, Philippine, Bulgaria, Tanzania, etc.

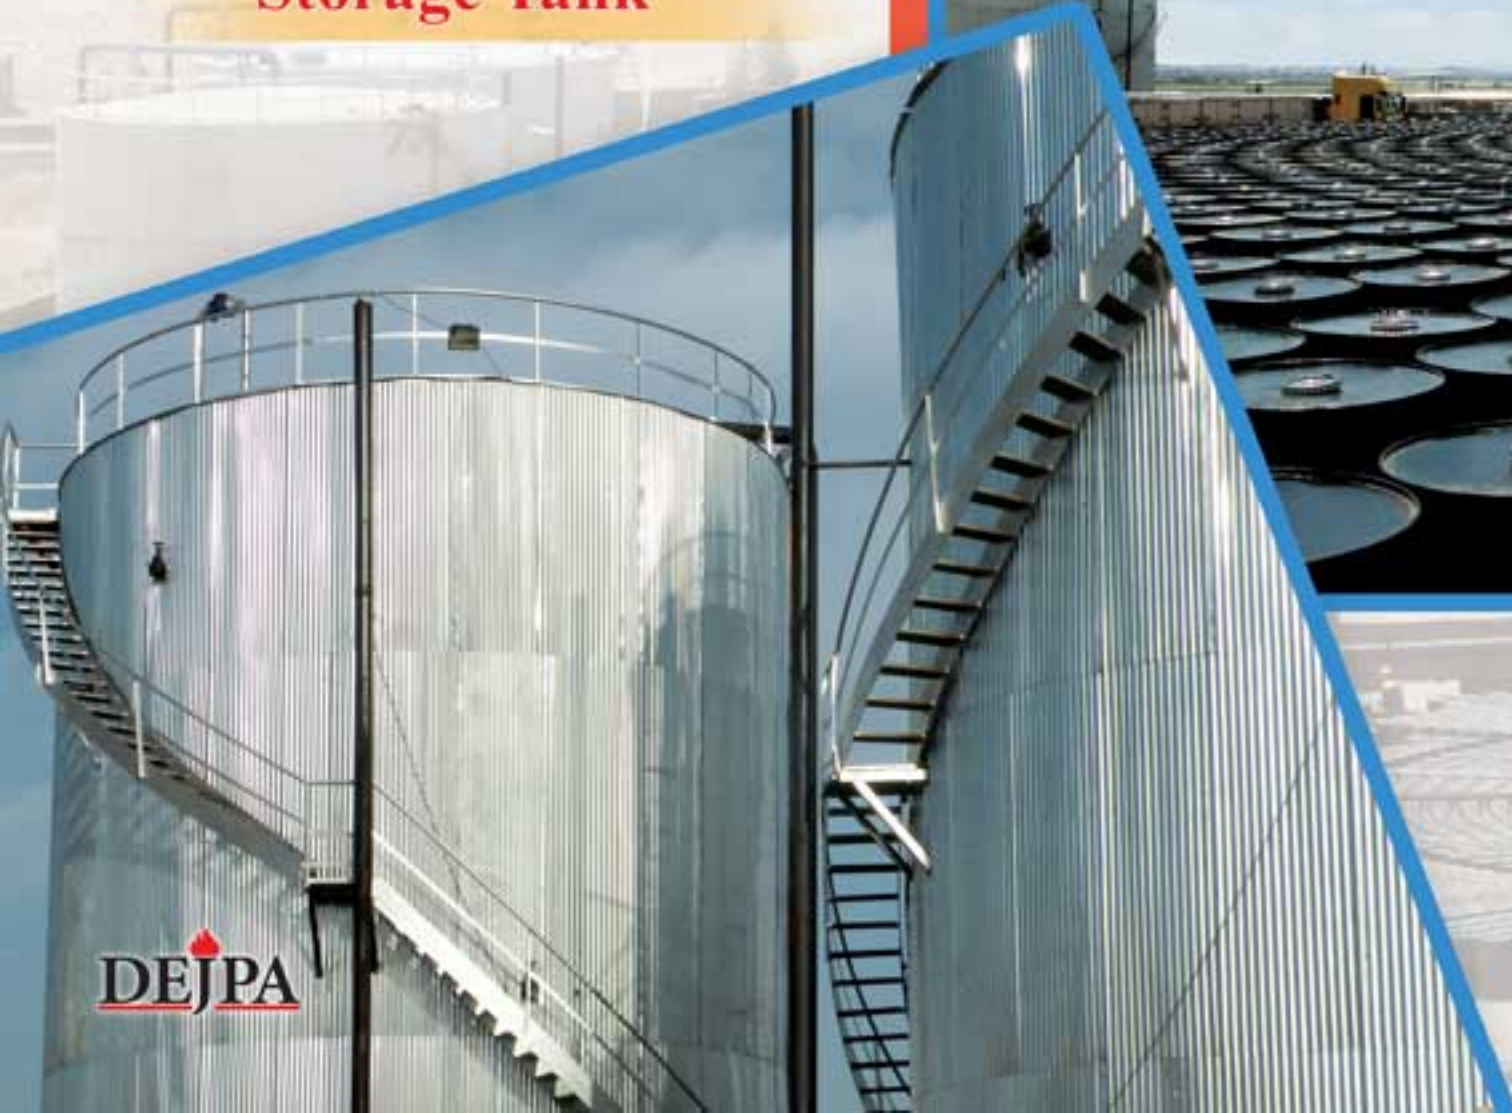

Payment facility is available for customers' banks around the world, with the highest level of security from Dejpa Company.

WE BELIEVE OUR CUSTOMERS ARE OUR ASSETS
